**Board Meeting Date:** October 12, 2016

**Title of Board Item:**

WKCCD and TUHS Dual Credit Update

**Background:**

Dual Enrollment can take different forms that have one thing in common – allowing motivated and eligible high school students to earn college credit before they graduate from high school. Dual enrollment reduces the barrier in making the transition to college, and can even allow a student to complete a certificate or two-year degree before graduating from high school. The definitions used by TC IR:

- **Dual Enrollment:** High School Students who take Taft College Courses and receive credit for both their High School Diploma and College Degree
- **Concurrent Enrollment:** When a High School Student earns college credit only for a college course taught on campus or online.
