Student Success (STSU) 1525 Transfer Planning (2 unit) CSU

Advisory: Eligibility for English 1500 strongly recommended.

Total Hours: 32 hours lecture. 64 outside of class hours. (96 Total Student Learning Hours)

Catalog Description: This course provides strategies for academic success and needed research skills essential for developing a comprehensive transfer plan. Topics will include the transfer transitioning process, major preparation and admission selection criteria, student support resources, evaluation of universities, and clarification of educational goals and cost of attendance.

Type of Class/Course: Degree Credit

Textbooks: Tyler, Lucia D., and Susan E. Henninger. *The Ultimate Guide to College Transfer: From Surviving to Thriving*. Rowman & Littlefield Publishers, 2017.

Additional Required Materials:

1. Taft College Catalog/Student Handbook, current edition

Course Objectives:

By the end of the course, a successful student will be able to:

1. Identify the skills necessary for successful transfer.
2. Develop skills and knowledge necessary to reach educational goals.
3. Compare and contrast the differences between the UC, CSU, private, and out-of-state educational institutions.
4. Develop an educational plan congruent with transfer and major goals.
5. Learn goal implementation techniques.
6. Identify college expenses, potential financial aid, and budgetary resources available including those associated with tuition, housing, and other university fees.
7. Research various educational institutions.
8. Explain general education, major preparation, minimum entrance requirements and competitive GPA necessary for admission to transfer school of choice.
9. Examine and compare the role, function, and structure of higher education options within California and the nation.
10. Examine the relationship between education choices and personal values, interests, skills, and personality traits.
11. Identify personal barriers that may impede transfer success.
12. Discuss and locate campus support services.

13. Demonstrate proficiency in use of Internet resources related to college/career information: Using ASSIST database to access major preparation information and explore majors; using online catalogs, researching financial aid options, and conducting career and university research.

Course Scope and Content:

- Unit I Basics of a Transfer Plan
- A. Benefits of college education
 - B. History of higher education systems in California
