### AGENDA

#### I. LIBERAL ARTS DIVISION

##### A. Course Revision

1. ARTH 2040 Survey of African, Oceanic and North Americas Art

*The above course revision was approved to move forward to the Curriculum and General Education meeting on November 11, 2015.*

##### B. New Course

1. ARTH 2045 Survey of Art of the Ancient Americas

*The above new course will be held until the Chancellor's office completes the review of the TMC template for Art History. Since the course currently fits the TMC template as an elective, we will wait to see if the course becomes a requirement in the revised TMC template.*

##### C. Programs Affected by New Course

1. AA-T in Art History
2. Liberal Arts: Arts and Humanities

*The above program update to the AA-T in Art History will be held until the Chancellor's office completes their review of the TMC Template. The Liberal Arts: Arts and Humanities degree will move forward to the November 11, 2015 Curriculum and General Education meeting to show the inactivations to the ENGL courses that were previously approved by Tech Review but without the addition of ARTH 2045.*

##### D. Course Revisions

1. ENGL 0800 Introductory Writing and Grammar
2. READ 0805 Introductory Reading

*The above course revisions are returned to the division for revisions. ENGL 0800 is a lecture/lab course with no mention of lab content in the COR. If the course has lab content, that needs to be added to the COR. If the course is a lecture only course, the COR hours should reflect that. Mark and Vicki will meet with Kamala to review READ 0805.*

#### II. NEXT TECHNICAL REVIEW MEETING

The next Technical Review Committee meeting will be October 27, 2015 from 2:10-4:00pm in the HR Conference Room.

III. NEXT CURRICULUM AND GENERAL EDUCATION COMMITTEE MEETING

The next Curriculum and General Education Committee meeting will be Wednesday November 11, 2015 from 12:10-1:30pm in G-08.
