Home & Auto Insurance with United Insurance Partners

Our preferred auto & home insurance provider, United Insurance Partners, wants to know how much you are paying your current insurance provider because they think they might be able to beat it!

They are confident enough they are willing to give CSEA members their choice of a \$10 Starbucks, Amazon or CSEA eGift Card for getting a free quote. If you don't think their offer is better, you STILL get a gift card, making it a win-win for everyone.

Call (800) 707-2360 to get a quote.

Honoring Our Retiree

We would like to congratulate you on your retirement from Taft College! We enjoyed working with you during your time here and we consider you a valuable asset here.
