Addendum (RFP)

Addendum No: 001
Date: 12/3/2021

Project: Classroom Audiovisual Project Phase II
Project No.:   WKCCD 2122 - 109

From: West Kern Community College District
               29 Cougar Court
               Taft, CA 93268

To: All Prospective Bidders and Plan Holders

The following questions were compiled from prospective bidders after the release of the RFP document. As a result, West Kern Community College District is supplying this list of questions to all potential vendors.

1. **Library 311**

   1.1. **Will the TV be replaced? The TV is currently in the center of the room. Will it be moved to the left or the right? Will pull out brackets be used/tilt?**
      1.1.1.Yes. Right of the Room. Pull out brackets.

   1.2. **What model of presentations device?**
      1.2.1.(BARCO) Need to establish which device is acceptable based on price. WePresent WICS-2100

   1.3. **Document cameras?**
      1.3.1.B11 Model/ELMO MH1 in each room that requires Doc cameras.

   1.4. **C-10 or Network – is someone else (another contractor) doing this work?**
      1.4.1.The question needs clarification. Based on our interpretation, all the jobs will be done by the company that will be awarded the bid. The District will not contract with other contractor.

   1.5. **Where will webcam be mounted?**
      1.5.1.Ceiling

   1.6. **Will the same projectors be used that were in the last RFP?**
      1.6.1.Yes, if available or equivalent

   1.7. **Will drop down projector screens be used?**
      1.7.1. Refer to answers 1.10.1 & 1.10.2

   1.8. **Screen size: 8ft screens (96")?**
      1.8.1. Yes

   1.9. **All manual 8ft screens?**
      1.9.1. Yes, unless it has a motorized screen

   1.10.   **If it is electric, keep it electric?**
      1.10.1. Yes

1.11. Carts?
　　1.11.1. Case by case per room. Rack space – open to alternative location.

2. **T-13**

　2.1. Keeping all the same furniture?
　　2.1.1. Yes

　2.2. "Like for like" Creston system – electric screen?
　　2.2.1. Yes

　2.3. Wireless microphone systems – RF? As long as it doesn't interfere with other rooms.
　　2.3.1. IR

　2.4. Using same rack/cart?
　　2.4.1. Yes

　2.5. Mounts reused?
　　2.5.1. New mounts and backer board.

3. **CIL 730**

　3.1. Reusing racks/freestanding?
　　3.1.1. Yes

　3.2. Is there a list of which rooms have electric screens?
　　3.2.1. Yes, Tech Arts, S11, and CIL classrooms

　3.3. Still using whiteboards?
　　3.3.1. Yes

4. **Dental Hygiene**

　4.1. Projector? – Don't' demo anything? Add a TV?
　　4.1.1. Add TV & Rest of Equipment

5. **Gym**

　5.1. Adding a retractable screen and projector, TV in the corner? Can put TV in the center if the whiteboard is moved?
　　5.1.1. No, to the retractable screen. TV on right hand side.

6. **ETEC**

　6.1. Replacing projectors and displays or not?
　　6.1.1. Submit an alternate bid for an upgraded projector.

7. **Facilities Conference Room**

　7.1. Keep click share?
　　7.1.1. Yes

　7.2. Add rack to cabinet or on top?
　　7.2.1. Rack on top

7.3. Touch screen on top?
    7.3.1. Yes

7.4. Keep the TV/to be controlled as well?
    7.4.1. Yes

8. CDC

8.1. Taking screen out, add TV and touch screen?
    8.1.1. No. Keep projector screen in same location. TV system should be added to opposite wall of white board. Touch screen not required.

8.2. Mount white board on separate wall?
    8.2.1. No, the white board needs to stay on the wall it is currently located.

8.3. Mount TV in the corner/smaller size?
    8.3.1. The TV Monitor can be placed on the opposite wall from the wet/dry white board. Furniture can be moved to accommodate up to a 52" TV on the opposite wall.

8.4. Short throw projector? Use whiteboard for short throw?
    8.4.1. There are existing projector mounts in the ceiling of the conference room. We would like a projector in that room. Depending on the placement of the mounts, it may need to be a short throw projector system to throw to the white board or the existing projector screen on that wall. If the current mounts are not compatible with a projector unit, new mounting will need to be done to mount a standard projector system.

9. S-6 and 7

9.1. Keeping both projectors?
    9.1.1. Replace projectors and screens

9.2. Keeping same mounting for screens?
    9.2.1. Replace as needed

9.3. Under counter rack?
    9.3.1. Yes

9.4. Not replacing displays?
    9.4.1. Replace the TVs

10. S-11

10.1. Add electric screen?
    10.1.1. Yes

10.2. Wall mount or ceiling mount?
    10.2.1. Ceiling Mount

10.3. What size TV will be used?
    10.3.1. 55"

11. Human Resources Conference Room

11.1. Which side should the TV stand? South Wall HR?
    11.1.1. We do not have preferences; vendor is to provide best practices based on their experience.

12. Welding/ITEC

    12.1.   Free standing rack?

        12.1.1. Yes

    12.2.   Lift TV higher?

        12.2.1. Yes, and replace

    12.3.   Recessing the projector screen?

        12.3.1. Yes

13. General Questions

    13.1.   A general question was asked regarding the schedule of obtaining products to meet the deadlines. There is a back order of products that is upholding completion.

        13.1.1. We are aware of the issues with supplies and understand that it can change the timeline of the project.

    13.2.   Is the intent of this project to mimic the design, functionality, layout touch panel layout and equipment in RFP #WKCCD 2122-109 Classroom Audiovisual Project Phase II as in the previous project RFP # WKCCD 2021-105 to standardize campus equipment (if available) including user look, feel and use?

        13.2.1. Yes

    13.3.   Alternative Bid #3: Quote for onsite checking all AV equipment installed in all rooms to make sure everything is working properly before each semester. How long of a period does this need to be? For example, 1 year?

        13.3.1. 1 year and 5 year options.

    13.4.   What is the preferred video conference camera mounting and height location if different from ceiling mount? If ceiling mounted what should the height of the camera be since rooms have different If ceiling heights.

        13.4.1. Use best practices for each room.
